VSD1C

3/4 Scooby Doo Dress  
VSD2B

Good Nighty Frock  
VSD4

Designed and manufactured in WA, the collection is made from luxurious stretch fabric comprising of viscose/elastane. Viscose is a cellulose fibre similar to cotton, which allows the fabric to breath. The elastane creates the beautiful drape, yet keeps stability in the form.

The Collection is inspired by a rich formula, comprising of the voluptuous beauties of the 50's, the classic fashion chic of Vogue Magazine and the contemporary design requirements particular to women of the 21st Century.

Necklines and proportions are carefully considered so as to compliment the body and flatter the female silhouette. Each piece layers together to make a complete outfit, or fits like the missing piece of a jigsaw puzzle into your own wardrobe.

Sizes range from S-XL. Available in black, white, granite and seasonal colour changes.

Wear it anywhere, anytime, any season... A must for every global traveller.
